Attilio Zarrella, Th.D., Deputy Health Officer

WATER QUALITY LABORATORIES CERTIFIED IN MARYLAND

The companies listed below are made available to you for your convenience. We are in no way recommending one over the other, but providing you with their availability.

Chesapeake Environmental Labs, Inc. 410/643-0800
P.O. Box 946
Stevensville, MD 21666

Water Testing Labs 410/643-7711
P.O. Box 712
Stevensville, MD 21666

**PLEASE REMIND YOUR LAB TO PUT THE WELL TAG # _____
ON THEIR REPORT SO WE CAN MATCH IT TO THE WELL PERMIT.**

BEFORE FINAL APPROVAL CAN BE ISSUED ON YOUR WELL WE WILL NEED

- ☐ Completion Report from your well driller
- ☐ Inspection of well construction by health dept. sanitarian
- ☐ Satisfactory water results; testing criteria:
 - * Well water must be free of bacterial contamination for two consecutive samples collected on different dates.
 - * Arsenic, Nitrates, Sand, Turbidity

Recommend you call 410/479-8045 after you've schedule the well to be tested by a private lab to make sure the health department received the completion report and a sanitarian inspected the well. This is also a good time to make sure the septic was approved, too.

**THE WELL & SEPTIC MUST BE APPROVED BEFORE PLANNING AND ZONING WILL
PROCESS YOUR OCCUPANCY PERMIT.**

**For a complete list of all Labs please contact MDE Water Supply Program:
410-537-3702
